Project's Mission

Mobile application for students. In this application students can see a calendar of upcoming events, read the news and get themselves familiar with the charter, send a message to the university administration, and see the charges and benefits received.

Problems

The public organization has more than 8,000 members and community members that do not receive up-to-date information on time.

Solution

Web application adapted for mobile where students can get required up to date information specific for their major and course.
