# Motorcycle Content-Based News

Industry:  
**Information (news)**

Customer's web-site:  
**Under NDA**

## Project's Mission

Motocycling web platform which brings together the motorcycle community. Allows them to be informed with relevant information about the Motorcycle world. It is based on the static site generator Jekyll.

## Problems

The constant growth of the community of motorcyclists and the lack of information portals on motorcycle topics in Belarus.

## Solution

Static news generator, where any community member can post news by adding it to the github repository.
